

Nature Journaling as a Family

Montessori Foundation Webcast, August 1, 2017
with Kelly Johnson of Wings, Worms, and Wonder

Find lots of resources, ideas, fun activities, nature inspired items for creatively connecting humans and nature at

<http://www.wingswormsandwonder.com/>

While you're there, join the newsletter to get Wonder Wednesday activities delivered right to your inbox!

Explore the fun of nature journaling through the Wings, Worms, and Wonder online nature art journaling school!

Expand your drawing & painting skills, deepen creative nature experiences with nature connection meditations, develop your nature-study practice, & lots more. Classes are self paced, designed for multi experience levels, make great homeschool art and nature-study courses, and supported within a creative nature loving online community.

All are welcome and children are invited to participate for free with an adult registration!
